

Green Magic™

PROFESSIONAL CONTROLLED-RELEASE FERTILIZER

Feed once. Grow for 6 months.

The secret behind healthy green plants at Top Tropicals.

Why everyone loves Green Magic

STAYS GREEN

Leaves stay deep green and healthy.

STEADY GROWTH

Feeds a little every day instead of all at once.

LASTS 6 MONTHS

One application. That's it.

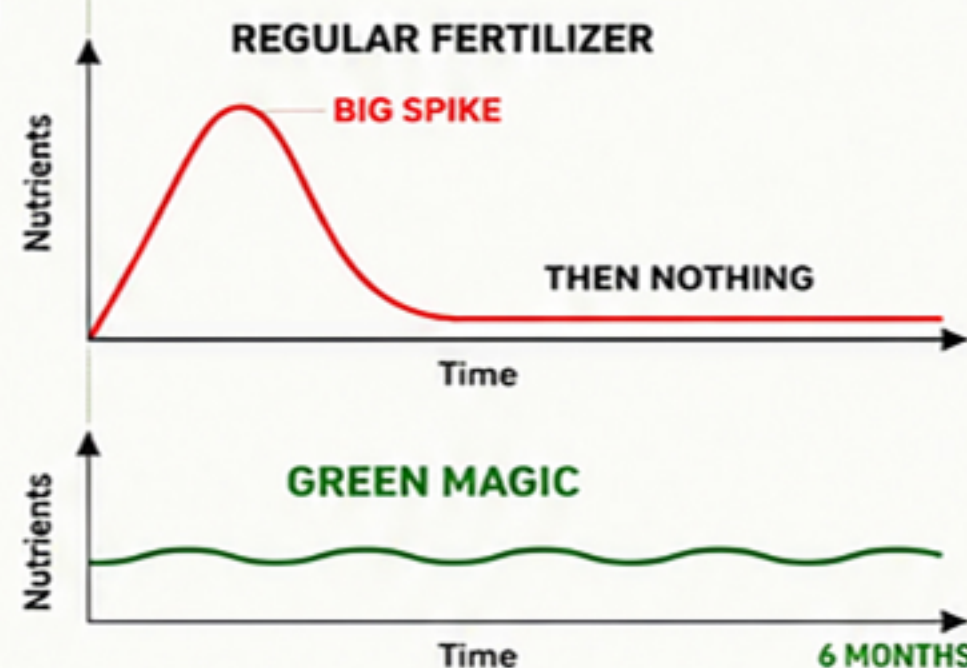

The Secret

Most fertilizers feed plants all at once.

Green Magic feeds slowly... day after day... week after week... for up to six months.

No big growth spurts. No hungry periods.

Just steady, healthy growth.

Real Top Tropicals Results

Professional growers. Real plants. No tricks.

Perfect for

Houseplants

Tropical Fruit Trees

Flowering Plants

Ornamentals

Patio Containers

Shrubs

Super easy to use

1 TEASPOON PER GALLON OF POTTING SOIL
